# Self Adhesive Kraft Paper Tape

## PRODUCT DESCRIPTION

Our Eco Friendly Self Adhesive Paper Tape has a paper backing with a silicone-free release coat and a synthetic rubber adhesive system without solvents. The tape is an environmentally friendly packaging and carton sealing tape. The backing is based on paper, a natural, sustainable material. The paper packing tape can be used on a wide variety of different cardboard qualities. Seals are durable because the product combines high holding power with good tensile strength. The carton sealing tape is available in brown and white. The tape can also be printed in up to 6 colours.

## MAIN APPLICATION

- It is an environmentally friendly carton sealing and packaging tape.
- The paper packing tape is ideal for sealing of light- and medium-weight cartons.
