# ECOPAPER TAPE

## PIONEERING SUSTAINABILITY THROUGH INNOVATIVE PACKAGING SOLUTIONS

Ecopaper tape is a transformative advancement in the packaging industry, prioritizing comprehensive sustainability. Crafted from premium, high performance, easy tear crepe paper, Ecopaper tape is a perfect fit for industries focusing on sustainability goals to reduce carbon footprint.

Bagla Group's high performance Ecopaper tape ensures effective and secure sealing functions, while contributing to its sustainability goals by using VOC free, water based acrylic adhesives for its Ecopaper taping range of products.

## APPLICATIONS

- Carton Sealing
- Branding
- Labeling

As world's leading manufacturer of Adhesive Tapes and POF Shrink Films, BAGLA GROUP is a trusted packaging partner to global brands and distributors.

- Market leader providing innovative packaging solutions, worth more than 400 Million USD (3,000 cr) to over 2,000 customers.
- Global market reach in 40 countries, across 6 continents.
- Innovation led engineering with 5 state-of-the-art factories in India and 16 International sales offices, providing more than 500 SKUs in over 50 product categories.

# TECHNICAL SPECIFICATIONS - ECOPAPER TAPE

Total Thickness	Backing Material	Adhesive	Adhesion To Steel	Shear Strength	Elongation %	Colors
D 3652			D-3330 gms/25mm	A-5012 mins	D-3759	
120 micron	Crepe paper	Water based Acrylic	700	120	6	Brown

Data representation has nominal values based on PSTC, ASTM and other standard tests. The data should not be considered as specifications.

## STORAGE

The tape should be stored in its original packaging in a cool, dry area away from direct sunlight and should be used within 12 months of the date of shipment. Surfaces to which tape is applied should be clean, dry and free of grease, oil or other contaminants.
